

**FANUC**

## BUSINESS EXCELLENCE INTERN

**Location: Echternach**

**Contract type : Internship (4-6 months)**

FANUC is the world leading provider of factory automation.

The company focuses on 3 activities: CNC, Industrial Robots and Machines (Wire EDM - Machining Centre - Electric Injection Molding Machine).

FANUC Europe Corporation is the European Headquarter in Luxembourg. Our 300+ employees provide a full range of services to our 25 European subsidiaries. This includes European Sales and Service, Technical Support, Supply Chain, Parts and Repairs, as well as Marketing, Human Resources, IT, Compliance, Legal and Administrative Support.

Very close to its employees and based on strong human values, FANUC Europe Corporation offers you a dynamic professional career. QUALITY, RESPECT and PASSION are the fundamental values of the FANUC company.

As the Organizational Change Management Team and part of Business Excellence we are responsible for creating a culture of change in the company. We are looking for an intern who is currently studying media design and possesses skills in using media's edition software (including video and podcast). As an integral part of our creative team, you will work closely with Change Managers to conceptualize, develop, and execute engaging multimedia content that drives awareness and action toward our organization's initiatives.

### YOUR MAIN TASKS

- ✓ **Multimedia Content Creation:** including videos, graphics, infographics, and promotional materials, to support our various projects and campaigns;
- ✓ **Design Collaboration:** Work closely with the design team to brainstorm and develop creative ideas that effectively communicate our messages and promote social change;
- ✓ **Project Support:** Assist in planning, organizing, and executing media campaigns, ensuring adherence to timelines, and delivering high-quality output;
- ✓ **Cross-Department Collaboration:** Collaborate with different teams, such as marketing, communications, and community engagement, to align media design efforts with broader organizational goals;
- ✓ **Analytics and Feedback:** Analyse the performance of multimedia content and gather feedback to continuously improve and optimize design strategies.

### YOUR PROFILE

- ✓ Currently pursuing a degree in media design, graphic design, visual communication, or a related field.
- ✓ Be fluent in English (C1);
- ✓ Have a passion for social change and a strong interest in utilizing design to drive positive change;
- ✓ Excellent attention to detail and the ability to meet deadlines in a fast-paced environment;
- ✓ Knowledge of Adobes Creative Cloud Environment, particularly Photoshop, InDesign, Premiere Pro and Illustrator;
- ✓ Effective communication and teamwork skills, with a willingness to collaborate across departments;
- ✓ Knowledge of video editing, motion graphics, and other multimedia design techniques.

**Only applications from students enrolled in a Luxembourg or foreign educational establishment will be considered.**

**To apply, please send your application to [jobs@fanuc.eu](mailto:jobs@fanuc.eu)**

*English is our company language. Therefore please ensure that you send your application (cover letter and CV) in English for smoother processing. Please note that we are located in the Industrial Zone in Echternach. It is thus highly recommended that applicants have personal vehicle as public transport options are limited.*
