# Course selection for International Exchange Students at Trier Business School

As an incoming exchange student at Hochschule Trier, you are not required to follow courses of only a single study program.

Within your study level (bachelor or master), **you can select courses from different study semesters or different programs**, provided that the courses do not overlap. In certain cases, students will have the possibility to attend a seminar. Term papers can be written in English.

Please note: In some courses/seminars the number of participants is limited.

**The list of modules is subject to change.**
