

Application for a specialisation as an addition to the Bachelor's certificate

Degree program: B.A. International Business [PO 2021]

To be completed by the student:

Personal details

Last name, first name: _____

Matriculation number: _____

Please note

Students of the B.A. International Business programme [PO 2021] can choose **a maximum of one subject-related and one language-related specialisation!** Please enclose the transcript of records of your year abroad and the module descriptions of all relevant modules with this application. Send all documents by e-mail to international-business@hochschule-trier.de.

A subject-related specialisation is proven and is designated as such if at least 24 ECTS credits are earned in relevant courses during the year abroad. A language-related specialisation exists if at least 35 ECTS have been completed in a second foreign language.

Study specialisations according to the degree programme

I hereby apply for the following study specialisations to be shown on my Bachelor's certificate:

- Accounting and Taxation
- Controlling
- Finance and Financial Markets
- General Management
- Marketing
- Operations Management

- Language-related specialisation: language: _____

Please list all modules to be considered for your specialization and provide the respective module descriptions:

| modules relevant for subject-related specialisation | modules relevant for language-related specialisation |
|---|--|
| | |
| | |
| | |
| | |
| | |
| | |
| | |

To be completed by the Business School:

Confirmation of the study specialisation by the Business School
