

CALL FOR APPLICATIONS: INDUSTRIAL MENTORSHIP PROGRAMME 2026

GUIDANCE AND SUPPORT

WHAT IS THE INDUSTRIAL MENTORSHIP PROGRAMME?

The Industrial Mentorship Programme supports doctoral candidates at Trier University of Applied Sciences and its partner universities on their way to exploring different career paths. As a PhD student, you can expand your network and gain insights into different work environments.

KEY INFORMATION

Start: March 2026

Target group: PhD students

The process:

Once you have registered for our programme, we will match you with a suitable mentor and inform you about programme activities.

PROGRAMME DESCRIPTION

The programme operates on a year-round basis. By applying, participants become part of the mentorship network and can take part in programme activities such as thematic workshops and industrial talks. In addition a structured matching process is carried out to connect PhDs with suitable mentors.
