

HOCHSCHULE TRIER INTERNATIONAL

Training and best-practice series: "Internationalisation through Virtual Exchange & Blended Mobility"

This training series, which is part of the DAAD and BMBF funded project "Hochschule Trier International: At Home and out into the World" aims to enable teaching, administrative and technical staff to use digitisation as a strategic instrument for the internationalisation of teaching and the internationalisation at home.

Please return the completed form to haw.international@hochschule-trier.de to express your interest in participating.
