- Your rental period for the winter semester 2020/21 will be 1st September until 28th February.

<sup>2</sup> There are fixed times when keys can be handed over to residents. Please inform the International Office and the caretaker of the dormitory when you plan to arrive in Trier well in advance, so we can make sure you will have access to your room on that day. If you arrive outside move-in hours, we will try to have somebody pick up the key for you and meet you at the dormitory, but this is also not possible at all times. If we're unable to arrange a pick-up for the date in question, you might have to book a room in a hotel or hostel for the first night.
