

## **React Native Mobile Developer Trainee**

We, at Arqs, want to build teams based on **young peoples** who desire to perform, improve their skills, and build a **rewarding career**.

To these **brilliant minds**, we offer the best place to work, the most interesting projects using the **latest technologies**, always in a practical domain where they **can immediately see** the impact of their **own progress**.

You are **talented, motivated** and **ambitious**? Then, we will be more than happy to **meet you!**

### **#Keywords**

- React-native;
- Reactjs;
- Javascript;
- iOS;
- Android;
- Mobile development;
- Hybrid mobile application;
- Innovation;

### **As a React Native Developer Trainee you will:**

- Be involved in highly innovative mobile products
- Be responsible for driving complete features from requirements through to deployment and experimentation.
- Collaborate closely with our mobile team consisting of our mobile architect, designer and mobile developers to define, code and ship new features
- Create prototype of new technologies

### **We are looking for a student:**

- Curious and creative;
- In the love of code;
- Team player;
- With an interest for state of the art technologies;
- Autonomous and dynamic;
- Fluent in French and English.

**What we offer to the candidate:**

You will join an existing team and be fully involved in the project. This will be a unique opportunity for you to work on a strategic tool that will be used by the community. You will be integrated in an exciting company hiring dozens of young graduates each year. If you want to grow up with us, please send us your CV.
