

Cloud Trainee

As part of the ARHS Group infrastructure move to the Cloud, our Cloud team is ready to welcome one or several interns in order to participate to the following topics:

- Converging from custom cloud offerings to a standardized cloud offering related to AWS and Microsoft Azure;
- Transforming our existing assets in self-service deliverables;
- Helping us with analysing, selecting and building the proper tooling for providing a standard catalogue and the corresponding self-service platform;
- Supporting us in formalizing and documenting best practices.
