summer holidays 2021

Dear children, dear parents,

the time has come again: the summer vacation care is just around the corner! We are looking forward to four great weeks together with you.

What you can expect in the individual weeks you can see on the next page. But of course there will be a lot of fun and no time to be bored, because there will be games and activities indoors and outdoors.

We are looking forward to your registrations,

your childcare team

Creative Week - July 19-23

Whether with brush and paint, pen and paper, scissors and glue, in this week we will paint, do handicrafts and design for all it's worth - there is no limit to your creativity.

Wood Week - July 26 - 29

Sawing, screwing and drilling will take place in the second week of our vacation care. We want to make practical, useful and beautiful things with wood.

Fabric Week - August 02 - 06

This week is all about fabric. With needle and thread we make something new or completely different out of old. We are looking forward to your creations!

Sculpture Week - 09 - 13 August

The last week is all about shaping and modeling. With pappmaché and / or clay we will create the most diverse things.
