summer vacations 2025

Dear children, dear parents,

We would like to cordially invite you to this year's summer vacation care from July 07 to August 01.

You can expect four weeks with a varied program - detailed information on the next page - with the usual portion of fun and games.

As always, we look forward to your registrations and to a great vacation with you!

With best regards,

your childcare team

Week 1 - 07.07. to 11.07.

The start of vacation care will be colorful, fun and really sticky - because we're creating great things out of papier-mâché! Whether it's imaginative decorations for your room or something to give as a gift - together we'll be snipping, squishing and crafting for all we're worth!

Week 2 - 14.07. to 18.07.

In week 2, things get creative as we discover together how to weave beautiful little works of art with colorful threads and great ideas. Whether it's a mural, bracelet or coaster - there are no limits to your creativity.

And on Thursday we go to the bird of prey park in Saarburg.

Week 3 - 21.07. to 25.07.

In this week, the focus is on clay, and you can shape, model and design to your heart's content - with your own hands and lots of imagination! Animals, figures, small works of art or your very own ideas - you will be amazed at what can be created from a lump of clay.

We have planned a joint excursion to the forest climbing park in Leiwen for Thursday.

Week 4 - 28.07. to 01.08.

In the last week, we will make colorful bracelets, key rings and lots of other great things out of paracord - this is a particularly strong and colorful rope that you can be super creative with!

On Thursday, we will go to the Klotten Wildlife & Leisure Park together.
