Scholarships for foreign students/doctoral candidates

Name	Contact persons for Trier University of Applied Sciences	Link	Who gets it?	What is there?	What is required?	When is the deadline?	Miscellaneous
Germany Scholarship	Dr. Anne Koch Phone: 0651/8103-284	https://www.hochschule-trier.de/studium/informationen-service/finanzierung/stipendien-und-stiftungen/deutschlandstipendium	Students and first-year students of all nationalities	300/month for 12 months, regardless of parents' income. Extension possible up to the standard period of study.	In addition to good academic and school performance, social, political and community involvement as well as family backgrounds are also taken into account.	As of August 31 of each year	Simultaneous funding from other scholarships may not exceed EUR 30 per month. An exception is BAföG, which has no effect on the Deutschlandstipendium.
RLP state scholarship	Prof. Dr. Frank Altrock Tel. 0651/8103-583; Prof. Dr. Susanne Hartard, Tel. 06782/17-1322	https://www.hochschule-trier.de/studium/informationen-service/finanzierung/stipendien-und-stiftungen/landesstipendium	Students of all nationalities	Funding line "Gifted and social commitment": €3,600/year, funding line "Excellence": approx. €3,000/year. Funding is provided for one academic year, consisting of winter and summer semester.	Academic and personal aptitude, social commitment	On 15.07. of each year	The simultaneous receipt of other talent and performance-related scholarships is not permitted.
Social support from Studiwerk Trier	Petra Longen Phone: 0651/201-3556	https://www.studiwerk.de/cms/soziale_unterstuetzung-1001.html	All students of the HS Trier from the 3rd semester onwards	300,- € /semester	Applicants are expected to make a reasonable contribution to alleviating the difficult financial situation. This also includes making use of loans.	At any time	A committee decides on the award on the basis of its findings from the application documents submitted or during a personal interview.
German Academic Exchange Service (DAAD)	International Office /International Office of the University	https://www.daad.de/deutschland/stipendium/datenbank/de/21148-stipendiendatenbank/?status=1&amp;origin=&subjectGrps=&daad=&q=&page=7&mp;back=1	Interns, students, graduates, doctoral students, doctoral candidates	On its website, the DAAD offers a database in which foreign students can search for scholarships according to their origin or level of education.	Depending on the scholarship, please check the website	Please check the DAAD website.	
Scholarship from the Bürkle Foundation	Prof. Dr. Susanne Hartard Phone: +49 6782 17-1322	https://www.umwelt-campus.de/studium/informationen-service/studienfinanzierung/stipendium	Students of all nationalities	300,- €/month for one year	Applications are open to students with charitable, social or environmental activities with a regional connection to Kim and the surrounding area (Birkenfeld and Bad Kreuznach districts) and/or who are working on projects, internships or theses that contribute to regional development.	As at 31.12 of each year	The student's main place of residence during their studies must be stated in the application process; a regional connection is also an advantage here. Double funding through another scholarship is not possible.
Dr. Arthur Pfungst Foundation		http://pfungst-stiftung.de/stipendium/	Students in their first degree who are in financial need.	Scholarships are awarded based on income and calculated individually.	Neediness (proof of income from parents); good to very good academic performance	The application deadline is set annually, please refer to the website. Applications can be submitted at any time.	Suitable time to apply after one or two semesters of study. Funding initially for one year, further funding possible until the first degree. Second degrees are not funded. A first degree is also to be understood as a second degree if the applicant already has vocational training. Studies abroad or at private universities are also not funded. Studies after a change of subject (after more than two semesters of study) are also not funded.
Friedrich-Ebert-Stiftung (foundation affiliated with the SPD)	Prof. Dr. Christian Mock Phone: +49 6782 17-1526	http://www.fes.de/studienfoerderung	Foreign students studying for a Bachelor's or Master's degree	As an EU national: Max. Basic grant based on BAföG*. Non-EU nationals: The basic grant is awarded according to the guidelines of the Federal Foreign Office, further grants are possible**.	Foreign applicants can only be sponsored if they are already studying in Germany at the time of application and can provide initial graded proof of performance. Above-average study-related achievements, written proof of very good German language skills, social commitment in the spirit of the foundation.	Online at any time (Bachelor); Master: before or at the beginning of the first semester of the Master's program; the deadlines here are 31.05. (summer semester) or 30.11. (winter semester)	Bachelor's application after the 1st semester up to 3 semesters before graduation after the standard period of study (for 6 semesters up to the end of the 3rd semester, for 7 semesters up to the end of the 4th semester), Master's application (standard period of study 4 semesters) before or at the beginning of the 1st semester.
Friedrich-Ebert-Stiftung (foundation affiliated with the SPD)	Prof. Dr. Christian Mock Phone: +49 6782 17-1526	http://www.fes.de/studienfoerderung	Foreign doctoral candidates	The basic grant is awarded according to the guidelines of the Federal Foreign Office, further grants are possible.**	Prerequisites for a promising application are sufficient German language skills, (very) good school and study-related achievements and voluntary socio-political commitment.	At any time	The standard funding period is 3 years. The funding is aimed at foreigners who have already been admitted to doctoral studies in Germany. You should have completed your studies quickly with above-average results. Your academic project should make a significant contribution to research. In addition, we expect a strong socio-political commitment. We support doctorates in all subject areas at state and state-recognized universities and universities of applied sciences, with the exception of medicine.

Konrad Adenauer Foundation (party-affiliated foundation "CDU")		http://www.kas.de/wf/de/42/8/	Foreign students studying for a Bachelor's or Master's degree	The basic grant is awarded according to the guidelines of the Federal Foreign Office, further grants are possible.**	You should be able to demonstrate above-average academic performance and have a good command of German. A positive attitude towards democracy and human rights, a keen interest in political issues and a broad general education are also important. If possible, you should also have already been actively involved in society in your home country through voluntary work.	On 15.07. of each year	The scholarship should last at least 4 semesters. You will receive a monthly grant of up to €934. The standard funding period here is two years.
Konrad Adenauer Foundation (party-affiliated foundation "CDU")		http://www.kas.de/wf/de/42/8/	Foreign doctoral candidates	The basic grant is awarded according to the guidelines of the Federal Foreign Office, further grants are possible.**	You should be able to demonstrate above-average academic performance and have a good command of German. A positive attitude towards democracy and human rights, a keen interest in political issues and a broad general education are also important. If possible, you should also have already been actively involved in society in your home country through voluntary work.	On 15.07. of each year	You will receive a monthly scholarship of € 1,400, provided you have completed your doctorate at a university in the Federal Republic of Germany without any conditions. The standard funding period for doctoral students is three years.
Heinrich Böll Foundation (party-affiliated foundation "Greens")	Prof. Dr. Peter Heck, Tel.: 06782/17-1221; Prof. Dr. Stefan Naumann, Tel.: 06782/17-1217	https://www.boell.de/de/stipendien	Foreign students in the Master's program	The basic grant is awarded in accordance with the guidelines of the Federal Foreign Office, further grants are possible.**	Written proof of very good German language skills (level B 2 or DSH 2 (with proof)), social commitment in the spirit of the foundation	Before the start of studies. On 01.03. and 01.09. of each year	Application only possible for Master's students
Heinrich Böll Foundation (party-affiliated foundation "Greens")	Prof. Dr. Peter Heck, Tel.: 06782/17-1221; Prof. Dr. Stefan Naumann, Tel.: 06782/17-1217	https://www.boell.de/de/stipendien	Foreign doctoral candidates	The basic grant is awarded in accordance with the guidelines of the Federal Foreign Office, further grants are possible.**	Written proof of very good German language skills (level B 2 or DSH 2 (with proof)), social commitment in the spirit of the foundation	On 01.03. and 01.09. of each year	The degree certificate must be available. Initial preliminary work on the project must have been completed; a valid timetable for implementation must be available; generally a funding period of two years plus the possibility of extension by a maximum of one year.
Rosa Luxemburg Foundation (party-affiliated foundation "Die Linke")		https://www.rosalux.de/stiftung/studienwerk/studienstipendium	Foreign students in the Master's program	The basic grant is awarded in accordance with the guidelines of the Federal Foreign Office, further grants are possible.**	Written proof of very good German language skills (B2 level), very good academic performance, social commitment in the spirit of the foundation	On 01.04. and 01.10. of each year	The duration of funding depends on the standard period of study; the maximum funding period is made up of the standard period of study plus possible extensions. Applications are only possible at the beginning of the first Master's semester.
Rosa Luxemburg Foundation (party-affiliated foundation "Die Linke")		https://www.rosalux.de/stiftung/studienwerk/stipendienbewerbung/faq-promovierende	International doctoral candidates	The basic grant is awarded in accordance with the guidelines of the Federal Foreign Office, further grants are possible.**	Written proof of very good German language skills (level B2), very good degree, social commitment in the spirit of the foundation	On 01.04. and 01.10. of each year	In the case of a doctorate at a German university (admission to doctoral studies in Germany required), the maximum funding period is two years. Further extensions can be applied for - twice every six months, plus a maximum of one year for parents, for reasons of illness or other serious impairment.
Friedrich Naumann Foundation (party-affiliated foundation "FDP")		https://www.freiheit.org/de/stipendien-fuer-studierende	Foreign students in the Master's program	The basic grant is awarded in accordance with the guidelines of the Federal Foreign Office, further grants are possible.**	Good to very good grades, social commitment or personality in the spirit of the foundation. German language skills required.	On 30.04. and 31.10. of each year	Minimum funding period: 2 semesters. The scholarship is initially awarded for one year; an extension is possible upon application.
Friedrich Naumann Foundation (party-affiliated foundation "FDP")		https://www.freiheit.org/de/stipendien-fuer-promovierende-0	Foreign doctoral candidates	The basic grant is awarded in accordance with the guidelines of the Federal Foreign Office, further grants are possible.**	Participation in seminars.	On 30.04. and 31.10. of each year	Minimum funding period: 2 semesters. The scholarship is initially awarded for one year. An extension is possible upon application. Funding beyond three years is only possible in exceptional cases for up to one year due to childcare or illness.
Hanns Seidel Foundation (party-affiliated foundation "CSU")		http://www.hss.de/stipendium.html	Foreign students according to §8 BAFöG	As an EU national: Max. Basic funding based on BAFöG*.	Good to very good grades, social commitment or personality in the spirit of the foundation, participation in seminars	On 15.01. and 15.07. of each year	At the time of application, applicants must still have at least 3 semesters (HAW) or 4 semesters (university) of standard period of study ahead of them. Funding for a stay abroad is possible.
Evangelisches Studienwerk Villigst		https://www.evstudienwerk.de/bewerbung/studium/unsere-stipendium.html	Foreign students according to §8 BAFöG	As an EU national: Max. Basic funding based on BAFöG*.	Citizenship of a member or accession country of the European Union, Switzerland or eligibility for financial support according to §8 BAFöG. Special application possible without membership of the Protestant Church. Voluntary commitment. Written proof of very good German language skills (level C1) for applicants without German citizenship.	On 15.1. and 15.7. of each year	At the time of application, you have not yet exceeded the 3rd semester. If you are studying more than one subject, the highest semester always counts. It is not possible to apply for funding for just one Master's degree.

Evangelisches Studienwerk Villigst		https://www.evstudienwerk.de/bewerbung/promotion/unser-stipendium.html	Doctoral candidates from abroad who are admitted to doctoral studies in Germany	The doctoral scholarship is based on the requirements of the BMBF*. In addition to the basic funding, further grants are possible.	Application also possible for non-evangelical doctoral candidates, quickly completed studies, above-average study and examination results (final grade at least "good")	On 01.06. and 01.12. of each year	Scholarships are initially granted for three years; an extension to three and a half years is possible. If a doctoral scholarship holder has children under the age of 14 living in their own household for whom they have custody, a childcare allowance can be claimed and a parental year can be funded.
Cusanuswerk e.V.		https://www.cusanuswerk.de/foerderung/finanzielle-foerderung/foerderung-von-studierenden	Catholic Bachelor students according to § 8 BAföG and Catholic foreign students	Max. Basic funding based on BAföG*.	Significantly above-average performance in the respective subject, German language skills of at least level C1, personality or commitment in the spirit of the Catholic Church	On 01.08. of each year	At the time of application, applicants must still have at least 5 semesters of standard study time left in their Bachelor's degree.
Cusanuswerk e.V.		https://www.cusanuswerk.de/foerderung/finanzielle-foerderung/foerderung-von-promovierenden	Catholic foreigners who are admitted to doctoral studies in Germany	The doctoral scholarship is based on the requirements of the BMBF*. In addition to the basic funding, further grants are possible.	Committed membership of the Catholic Church, excellent academic performance and interdisciplinary interest, German language skills of at least level C1.	Procedure I (selection decision in March) Application deadline: November 1 Procedure II (selection decision in November) Application deadline: June 1	The doctorate can be funded for a maximum of three years and six months for academic reasons; in the event of illness or child-rearing, the funding period can be extended by a further 12 months. For the period of maternity leave, there is the option to extend the funding by a further 3 months. The terms of other grants may have to be offset against the maximum funding period. Temporary suspension of funding is possible in individual cases.
Avicenna Study Center		http://www.avicenna-studienwerk.de/	Muslim students from the EU and in the group of persons according to § 8 BAföG, in justified cases also other denominations	Max. Basic funding based on BAföG*.	Good to very good grades, social commitment, a convincing reason for applying to Avicenna-Studienwerk	On 01.04. or 01.10. of each year	Students still have at least 4 semesters of standard study time to complete at the time the funding begins. There must be at least one semester between the application and the start of the Master's program.
Avicenna Study Center		https://www.avicenna-studienwerk.de/stipendium/#promotionsfoerderung	Muslim doctoral candidates as EU citizens in the group of persons according to § 8 BAföG or Bildungsinländer*innen, in justified cases also other denominations	The doctoral scholarship is based on the requirements of the BMBF*. In addition to the basic funding, further grants are possible.	Good to very good grades, a language level of C1, social commitment, a convincing reason for applying to the Avicenna-Studienwerk. Participation in seminars and commitment in the spirit of the foundation	On 01.04. or 01.10. of each year	Doctoral candidates must be in the early stages of their doctorate at the time of application.
Ernst Ludwig Ehrlich Study Center		http://www.eles-studienwerk.de/	Jewish students from the EU and in the group of persons according to § 8 BAföG	Max. Basic funding based on BAföG*. In addition, a lump sum for study costs of 300 euros is granted.	We expect above-average academic performance, but also commitment beyond that: in Jewish communities, in the social sector, in youth work, in student organizations or in the social environment.	As of May 2, 2024, usually April 30 and October 31 of each year	At the time of application, applicants must still have at least 5 semesters of standard study time left in their Bachelor's degree.
Ernst Ludwig Ehrlich Study Center		http://www.eles-studienwerk.de/	Jewish doctoral candidates from the EU	The monthly funding rate is 1450 euros, plus a 100 euro lump sum for research costs and, under certain conditions, a health insurance subsidy. The funding rate is calculated independently of parental and partner income. In addition, there are generous, family-friendly supplements and further extension options for doctoral students with children as well as supplements for research stays abroad.	In addition to outstanding academic and research achievements, the scholarship holders are also expected to show social commitment in Jewish communities, in the social sector, in youth work, in student organizations or in the community.	As at 31.03. and 30.09. of each year	The Ernst Ludwig Ehrlich Studienwerk's doctoral scholarships are aimed at qualified doctoral candidates from all disciplines except medicine. Standard funding period of three years.
Foundation of German Business		https://www.sdw.org/das-bieten-wir-fuer-studierende/studienfoerderung-klaus-murmann/bewerbung-studienstipendium.html	German students and persons according to § 8 BAföG	Max. Basic funding based on BAföG*.	Achievements in the upper third of the performance index in the respective subject area, social commitment, social competence, participation in seminars.	Please check the website. For 2024: April 5	Funding until the end of the standard period of study. Grant possible for a stay abroad and further funding in the Master's program. If applying for a Master's degree only: in the 1st semester at the latest. At the time of the selection days in September/October (winter semester), you must still have at least four semesters of standard period of study ahead of you.
Foundation of German Business		https://www.sdw.org/das-bieten-wir-fuer-studierende/studienfoerderung-klaus-murmann/bewerbung-promotionsstipendium.html	All those admitted to doctoral studies in Germany	The doctoral scholarship is based on the requirements of the BMBF*. In addition to the basic funding, further grants are possible.	Participation in seminars and the support program	Please check the website.	Doctoral candidates must be in the early stages of their doctorate at the time of application. Funding period of up to 42 months
Study Foundation of the German People	Prof. Dr. Stefan Stoll (UCB) s.stoll@umwelt-campus.de	https://www.studienstiftung.de/	Students according to § 8 BAföG	Max. Basic funding based on BAföG*.	In the case of self-application: participation in an aptitude test. Alternatively: Suggestion from a professor or examination office	Please check the website.	
Study Foundation of the German People	Prof. Dr. Stefan Stoll (UCB) s.stoll@umwelt-campus.de	https://www.studienstiftung.de/infos-fuer-promovierende/promotionsfoerderung-der-studienstiftung/	All those admitted to doctoral studies in Germany	The doctoral scholarship is based on the requirements of the BMBF*. In addition to the basic funding, further grants are possible.	The Studienstiftung supports doctoral candidates from a variety of professional and personal backgrounds. They are united in their particular academic achievements, in their curiosity that extends beyond their own discipline and world, and in their strong sense of social responsibility.	Please check the website.	You are expected to complete your project within the maximum funding period of three and a half years (four and a half years if you have a child). You can therefore also set your timetable for 3.5 years; however, it is important that the plan you submit is realistic.

Hildegardis Association		http://www.hildegardis-verein.de/darlehen.html	Christian students of any nationality	Interest-free loan as a total amount (max. €10,000) or in installments (€500 or €250).	Repayment: social responsibility, active Christian faith	On 30.06. or 31.12. of each year	The loan is repaid to the Hildegardis-Verein in monthly installments. The annual repayment amounts to 10 percent of the loan amount granted, but at least € 120 per month. Repayment begins with the commencement of employment, at the latest two years after payment of the last loan installment.
Ferdinand and Charlotte Schimmelpfennig Foundation		http://schimmelpfennig-stiftung.de/	Young people in need up to the age of 30	Individual allocation according to income	Currently, funding is primarily provided in the Berlin/Brandenburg region (as of January 2024)	At any time	Funding is generally provided for the entire duration of the course.
Bayer Foundation in cooperation with the Alexander von Humboldt Foundation		https://www.bayer-foundation.com/de/wissenschaft/wissenschaftler-staerken-subsahara-afrika	This program offers excellent young scientists in Africa the opportunity to conduct research that significantly increases the quality and impact of their doctoral theses.	Depending on the financial plan of the project. Scholarships of up to 7,000 euros for field or laboratory studies are available for doctoral students from sub-Saharan Africa in the field of sustainable agriculture and biodiversity conservation.	High level of motivation, personal commitment and an innovative project plan	Please check the website

This also includes taking out loans.	At any time	A committee decides on the award on the basis of its findings from the application documents submitted or during a personal interview.
Scholarship from the Bürkle Foundation	Prof. Dr. Susanne Hartard Phone: +49 6782 17-1322	https://www.umwelt-campus.de/studium/informationen-service/studienfinanzierung/stipendien	Students of all nationalities	300,- €/month for one year	Applications are open to students with charitable, social or environmental activities with a regional connection to Kirn and the surrounding area (Birkenfeld and Bad Kreuznach districts) and/or who are working on projects, internships or theses that contribute to regional development.	As at 31.12 of each year	The student's main place of residence during the course of study must be stated in the application process; a regional connection is also an advantage here.
Evangelisches Studienwerk Villigst		https://www.evstudienwerk.de/bewerbung/gefuechete/unser-stipendium.html	Refugees (for a detailed description of the group of people, see website)	Max. Basic funding based on BAföG/requirements of the BMBF*	A full-time course of study is desired, the third semester must not yet have been completed and no course of study recognized in Germany must have been completed; proof of German language skills at level C1; BAföG eligibility	On 15.1. and 15.7. of each year	
Friedrich-Ebert-Stiftung (foundation affiliated with the SPD)	Prof. Dr. Christian Mock Phone: +49 6782 17-1526	https://www.fes.de/studien/foerderung/foerderung-von-gefuechteten/-scholarship-for-refugees	Application by refugees - possible for both basic funding (Bachelor's and Master's) and doctoral funding; stay in Germany of less than 15 months	Max. Basic funding based on BAföG/requirements of the BMBF*	A confirmation of study place or certificate of enrolment from a state or state-recognized German (technical) university and proof of German language skills corresponding to at least level B2	By 31.10. or 30.04. of each year for basic funding and up to approx. 2 years before submission for a doctorate	Semester period before or at the beginning of the first semester of higher education for first-year students. Before or at the beginning of the first semester of the Master's program for Master's students.
Friedrich Naumann Foundation (party-affiliated foundation "FDP")		https://www.freiheit.org/de/stipendien-fuer-gefuechete-1	Refugees with BAföG entitlement	Max. Basic funding based on BAföG* Plus monthly lump sum for study costs of € 300	Very good professional performance, a strong personality and serious commitment are required	On 30.04. and 31.10. of each year	Minimum funding period: 2 semesters, an extension is possible on application. Maximum funding period according to BAföG.
Konrad Adenauer Foundation (party-affiliated foundation "CDU")		http://www.kas.de/w/en/71.15326/	Refugee Bachelor's or Master's students or doctoral candidates who are already enrolled at a German university	Max. Basic funding based on BAföG/requirements of the BMBF*	Above-average academic performance, political and/or social commitment, identification with the values of the foundation.	On January 15 or July 15	Recognized refugees: regardless of the length of their stay in Germany to date; tolerated refugees: application submitted max. 15 months after submitting the asylum application; asylum application still being processed: scholarship cannot be applied for; additional benefits: Participation in seminars possible (e.g. on political, economic and cultural topics), access to a network of current and former scholarship holders, support in entering the labor market

<p>Heinrich Böll Foundation (party-affiliated foundation "Greens")</p>	<p>Prof. Dr. Peter Heck, Tel.: 06782/17-1221; Prof. Dr. Stefan Naumann, Tel.: 06782/17-1217</p>	<p>https://www.boell.de/de/stipendien</p>	<p>Refugees who want to start or continue a first degree or Master's degree (regardless of the type of university and the number of semesters) in Germany or who want to start or continue a doctorate</p>	<p>Max. Basic funding based on BAföG/requirements of the BMBF*</p>	<p>The prerequisite for an application to the Heinrich Böll Foundation is that the applicant wishes to begin or continue a course of study (first degree or Master's degree, regardless of the type of university and the number of semesters) and has been or will be admitted to the course.</p>	<p>On 01.03. or 01.09. of each year</p>	<p>Refugees can generally take up studies regardless of the status of their asylum procedure if they meet the relevant legal requirements for higher education. However, some study programs have different eligibility requirements depending on the applicant's residence status.</p>
<p>Hans Böckler Foundation (German Trade Union Confederation)</p>		<p>http://www.boeckler.de/bab.htm#cont_63988</p>	<p>Refugees with BAföG entitlement</p>	<p>Max. Basic funding based on BAföG/requirements of the BMBF*</p>	<p>Refugees can apply if they are entitled to BAföG. This means that they have been in Germany legally, permitted or tolerated for at least 15 months without interruption. If someone is in the asylum procedure, this person is not entitled to BAföG. In this case, it only makes sense to apply for a scholarship if the asylum procedure will be completed soon or has already been completed.</p>	<p>Scholarship for studies: On 01.02. or 01.08. of each year. Scholarship for a doctorate: May 31 and November 2, 2024</p>	<p>It is possible to apply for a scholarship via the "Böckler-Aktion Bildung". In order to do justice to the situation of refugees, the two criteria "maximum first semester and no more than 12 months between application deadline and Abitur" are not applied. It is important that the application shows how long the person has been in Germany. Source: https://www.boeckler.de/pdf/stuf_bab_fuechtlinge.pdf</p>
<p>Otto Benecke Foundation</p>		<p>https://www.obs-ev.de</p>	<p>Late repatriates and migrants, asylum seekers</p>	<p>The scope of services depends on the support measure and the individual circumstances</p>	<p>To register for support from the University Guarantee Fund, please contact your local University Guarantee Fund education advice center (contact details available online) or register online for an appointment.</p>	<p>To register for support from the University Guarantee Fund, please contact your local University Guarantee Fund education advice center (contact details available online) or register online for an appointment.</p>	<p>The support generally ends after 30 months of support. Periods in which corresponding assistance for language integration was provided by other service providers, e.g. integration courses of the BAMF, are to be counted towards the funding period. The application for support must be submitted before the age of 30 years of age.</p>
<p>Rosa Luxemburg Foundation (party-affiliated foundation "Die Linke")</p>		<p>https://www.rosalux.de/stiftung/studienwerk/studienstipendium</p>	<p>Refugees within the meaning of BAföG § 8 Nationality (see also: https://www.bafög.de/de/bafög-auch-ohne-deutschen-pass-591.php)</p>	<p>Max. Academic and personal aptitude, social commitment	On 15.07. of each year	The simultaneous receipt of other talent and performance-related scholarships is not permitted.
Social support from Studiwerk Trier	Petra Longen, Tel.: 0651/201-3556	https://www.studiwerk.de/cms/soziale_unterstuetzung-1001.html	All students of the HS Trier from the 3rd semester onwards	300,- €/semester	The applicant is expected to make a reasonable contribution to alleviating their difficult financial situation. This also includes taking out loans.	At any time	A committee decides on the award on the basis of its findings from the application documents submitted or during a personal interview.
Scholarship from the Bürkle Foundation	Prof. Dr. Susanne Hartard Phone: +49 6782 17-1322	https://www.umwelt-campus.de/studium/informationen-service/studienfinanzierung/stipendien	Bachelor students	300,- €/month for one year	Applications are open to students with charitable, social or environmental activities with a regional connection to Kim and the surrounding area (Birkenfeld and Bad Kreuznach districts) and/or who are working on projects, internships or theses that contribute to regional development.	As at 31.12 of each year	The student's main place of residence during the course of study must be stated in the application process; a regional connection is also an advantage here.
Friedrich-Ebert-Stiftung (foundation affiliated with the SPD)	Prof. Dr. Christian Mock Phone: +49 6782 17-1526	http://www.fes.de/studienfoerderung	Bachelor students	Basic funding based on BAföG*. In addition, there is a monthly lump sum of 300 euros for study costs, which all scholarship holders receive at their free disposal. Depending on the applicant's situation, we also make a contribution of up to 94 euros per month towards health insurance and up to 28 euros per month towards long-term care insurance. Scholarship holders with children can receive a monthly childcare allowance of 160 euros per child.	Good to very good grades, social commitment or personality in the spirit of the foundation, participation in seminars	30.04. and 31.10. of each year	Semester deadline before or at the beginning of the first university semester for first-year students. Bachelor students after the 1st semester and late up to 3 semesters before the end of the standard period of study
Konrad Adenauer Foundation (party-affiliated foundation "CDU")		https://www.kas.de/de/web/begabtenfoerderung-und-kultur/stipendien	Bachelor students	The scholarship is funded by the Federal Ministry of Education and Research. The basic scholarship can currently amount to up to €812 per month - depending on your own or your parents' financial situation. Irrespective of their parents' income, all scholarship holders receive a monthly lump sum of €300 to cover study costs. Scholarship holders who receive a basic scholarship can apply for an allowance of up to €122 per month for health and long-term care insurance. In addition, a monthly childcare allowance of € 160 per child can be granted for scholarship holders with at least one child who has not yet reached the age of 14.	Good to very good grades, social commitment or personality in the spirit of the foundation, participation in seminars	On 15.01. and 15.07. of each year	There must be at least four semesters of standard study time remaining in the Bachelor's degree.

Heinrich Böll Foundation (party-affiliated foundation "Greens")	Prof. Dr. Peter Heck, Tel.: 06782/17-1221; Prof. Dr. Stefan Naumann, Tel.: 06782/17-1217	https://www.boell.de/de/stipendien	Bachelor students	Max. Basic funding based on BAföG* Plus €300 flat-rate tuition fee/month; possibly plus childcare allowance, health insurance contribution, etc.	Good to very good grades, social commitment and political interest, participation in seminars; convincing reasons for applying to the Heinrich Böll Foundation	On 01.03. and 01.09. of each year	Application possible before the start of studies up to the 3rd semester; funding from the 1st semester up to the standard period of study, extension possible for 1 semester, additional funding possible for a stay abroad.
Rosa Luxemburg Foundation (party-affiliated foundation "Die Linke")		https://www.rosalux.de/stiftung/studienwerk/studiens stipendium	Bachelor students	Max. Basic funding based on BAföG* Plus €300 flat-rate tuition fee/month; possibly plus childcare allowance, health insurance contribution, etc.	Good to very good grades, social commitment or personality in the spirit of the foundation, participation in seminars	On 01.04. and 01.10. of each year	Applicants on a Bachelor's degree course can also be funded from the 2nd semester onwards. In this case, half of the standard period of study (Bachelor's only or, if desired, Bachelor's and Master's together) should still be pending at the start of the funding period. The application should indicate whether a Master's degree is intended. In accordance with the objectives of the Rosa Luxemburg Foundation, preference will be given to women, socially disadvantaged persons, applicants with a migration and/or non-academic educational background or disabilities with comparable achievements. In addition to these people, special consideration is given to applicants from the so-called MINT subjects (mathematics, engineering, natural or technical sciences) and from universities of applied sciences.
Friedrich Naumann Foundation (party-affiliated foundation "FDP")		https://www.freiheit.org/de/stipendien-fuer-studierende	Bachelor students	Max. Basic funding based on BAföG* Plus €300 flat-rate tuition fee/month; possibly plus childcare allowance, health insurance contribution, etc.	Very good professional performance, a strong personality and serious commitment are required	On 30.04. and 31.10. of each year	Minimum funding period: 2 semesters, an extension is possible on application. Maximum funding period according to BAföG. Funding for a stay abroad of up to 12 months possible. Application for first-year students possible even before commencement of studies.
Hanns Seidel Foundation (party-affiliated foundation "CSU")		http://www.hss.de/stipendium.html	Bachelor students	Max. Basic funding based on BAföG*	Good to very good grades, social commitment or personality in the spirit of the foundation, participation in seminars	On 15.01. and 15.07. of each year	At the time of application, applicants must still have at least 3 semesters of standard study time (HAW) or 4 semesters (university) ahead of them. A subsequent Master's degree course can be included in this calculation. After one year of trial funding, extension up to the maximum funding period according to BAföG possible. Funding for a stay abroad possible. Double funding excluded.
Hans Böckler Foundation (German Trade Union Confederation)		https://www.boeckler.de/de/stipendium-fuer-studierende-2655.htm	Bachelor students	Max. Basic funding based on BAföG*	Good to very good grades, trade union or social commitment or personality in the spirit of the foundation, participation in seminars	On 01.02. and 01.08. of each year	If possible, the foundation provides funding until the successful completion of the degree course. The only condition: the degree must be completed within the maximum funding period stipulated by BAföG. Students who come to the university via the first, second or third educational pathway are eligible for funding. The foundation does NOT support students with less than three semesters of standard study time remaining from the start of the funding (this regulation does not apply to Bachelor's degree courses if the student is aiming for a consecutive Master's degree)
Evangelisches Studienwerk Villigst		https://www.evstudienwerk.de/bewerbung/studium/unsere-stipendium.html	Protestant Bachelor students	Max. Basic funding based on BAföG*	Without membership of the Protestant Church Scholarship possible via special application. Voluntary commitment.	On 15.01. and 15.07. of each year	At the time of application, the 3rd semester has not yet been exceeded. Further funding in the Master's program is possible. People from non-academic backgrounds and from universities of applied sciences are expressly encouraged to apply.
Cusanuswerk e.V.		https://www.cusanuswerk.de/foerderung/finanzielle-foerderung/foerderung-von-studierenden	Catholic Bachelor students	Max. Basic funding based on BAföG*	Outstanding professional achievements and a strong sense of social responsibility, membership and commitment in the spirit of the Catholic Church	On 1.8. of each year	At the time of application, applicants must still have at least 5 semesters of standard Bachelor's studies ahead of them (exception: you can also apply if you are starting a four-semester Master's course in the coming winter semester). People from non-academic backgrounds are expressly encouraged to apply.
Avicenna Study Center		http://www.avicenna-studienwerk.de/	Muslim students in the Bachelor's program	Max. Basic funding based on BAföG*	Good to very good grades, social commitment, a convincing reason for applying to the Avicenna-Studienwerk. Participation in seminars and commitment to the foundation	On 01.04. or 01.10. of each year	Students still have at least 4 semesters of standard study time to complete at the time the funding begins. (Any subsequent Master's degree course included)
Ernst Ludwig Ehrlich Study Center		https://eles-studienwerk.de/foerderung/studierendenfoerderung/	Jewish students in the Bachelor's program	Max. Basic funding based on BAföG*	Good to very good grades, social commitment or personality in the spirit of the foundation, participation in seminars.	As of .30.4. and 31.10. of each year	At the time of application, applicants must still have at least 5 semesters of standard period of study remaining before reaching the maximum funding period according to BAföG, which corresponds to the standard period of study. For students on a Bachelor's degree course, this standard period of study also includes the four-semester Master's phase following the Bachelor's degree.
Gerhard C. Stark Foundation		http://www.starck-stiftung.de/stiftungszweck.htm	Jewish students up to the age of 35 in the Bachelor's program	Max. 900 € / month possible printing cost surcharges	Special talent. Applicant must be between 17 and 35 years old. Certificate of membership of a Jewish community in Germany, Austria or Switzerland.	On 01.07. of each year	For students, funding is limited to the standard period of study.

Foundation of German Business		https://www.sdw.org/das-bieten-wir/fuer-studierende/studienfoerdenwerk-klaus-murmann/ueberblick.html	Bachelor students	Max. Basic funding based on BAföG*	Ability and willingness to perform. Entrepreneurial thinking and acting with social responsibility.	Please check the website. For 2023: April 5	Including the current semester in which the selection days take place (at the beginning of each winter semester), you are still studying for at least 4 semesters within the standard period of study. If you are currently studying for a Bachelor's degree, a planned Master's degree already counts towards this requirement
Study Foundation of the German People	Prof. Dr. Stefan Stoll (UCB) s.stoll@umwelt-campus.de	https://www.studienstiftung.de/	Bachelor students	Max. Basic funding based on BAföG*	The Studienstiftung supports students whose talent and personality suggest special achievements in the service of the general public. Self-application: Participation in an aptitude test. Self-application is not possible in artistic/design subjects. Alternatively: Proposal by a professor or examination office	Please check the website.	Students who have changed their subject after the start of the 4th semester are generally not eligible for funding. A change of subject in the Master's degree program also excludes funding.
Dr. Arthur Pfungst Foundation		http://pfungst-stiftung.de/stipendium/	Bachelor students	Scholarships are awarded based on income and calculated individually.	Neediness (proof of BAFöG eligibility); good to very good academic performance	Please check the website. For 2024: August 29	Applications are possible for all degree programs until before the start of the last two semesters within the standard period of study. Unfortunately, it is not possible to apply for funding before the start of your studies. Initial transcripts from the current degree program must be submitted with the application.
Ferdinand and Charlotte Schimmelpfennig Foundation		http://schimmelpfennig-stiftung.de/	Needy bachelor students up to 30 years of age	Individual allocation according to income	Applicants cannot cover their financial needs from their own resources and may be entitled to BAföG. Applicants are enrolled at a German university.	At any time	Funding is generally provided for the entire duration of the course. Currently (2024), applicants from the Berlin/Brandenburg area are primarily supported. Applications by email will not be considered.
Hemshorn Foundation		https://www.hemshorn-stiftung.de/einzelstipendien.php	Bachelor students in need	With a If funding is approved, the student's study and living costs will be covered on a pro rata basis. In the the Lothar and Ingrid Hemshorn Foundation covers a proportion of the cost of acquisition costs of the textbooks.	Support for gifted, Christian children, young people and students with special needs and BAFöG entitlement	As at 31.05. of each year	Funding is provided for one year at a time and is generally granted until the first degree is granted, until the first achievable degree (Bachelor, Master,) is granted. Applicants must still be studying for at least one year.
Dr. Jost Henkel Foundation		https://dr-jost-henkel-stiftung.de/home/stipendien/individuelle-unterstuetzung/	Bachelor students of economics, natural sciences, computer science and technology	Depending on the type of funding	Excellent academic performance	You can apply at any time. The application should be received approx. 3 months before the desired support period.	TYPES OF FUNDING: Living costs and tuition fees Monthly payments, one-off payments and interest-free loans (internal foundation decision depending on individual situation) Monthly funding amount from €100 to €800 Repayments are only required for loans and only begin 6 months after completion of studies / doctorate and usually run for 2 years
Franz W. Aumund Foundation		https://www.deutsches-stiftungszentrum.de/stiftungen/franz-w-aumund-stiftung	Promotion of projects in the fields of science and research, education and upbringing as well as charitable support for people in need, primarily in Duisburg.	Depending on the type of funding	Very good academic performance or social commitment	Request by mail	Before submitting a detailed application, you should submit a short application to the foundation by e-mail to clarify the chances of success for funding. In this short application, please provide information about the applicant, the objectives and methodology of the project, the duration and funding requirements.

Good to very good grades, social commitment or personality in the spirit of the foundation, participation in seminars	On 30.04. and 31.10. of each year	The scholarships in the German doctoral program are initially available for one year. On application, we will extend the funding for a further year. As a rule, we support your doctorate for three years. Funding beyond three years is only possible in exceptional cases for up to one and a half additional years due to illness or childcare.
Heinrich Böll Foundation (party-affiliated foundation "Greens")	Prof. Dr. Peter Heck, Tel.: 06782/17-1221; Prof. Dr. Stefan Naumann, Tel.: 06782/17-1217	https://www.boell.de/de/stipendien-promotion-landingpage	In Germany, doctoral candidates from all disciplines. The Foundation has a particular interest in research topics that deal with issues of justice, ecology and socio-ecological transformations, the development of democracy and human rights, among others.	The doctoral scholarship is based on the requirements of the BMBF*. In addition to the basic funding, further grants are possible.	Proof of admission to the Doctorate by state or state-recognized university. Social commitment in the spirit of the foundation,	Please check the website	Funding period of max. 3.5 years or max. 4.5 years for parents doing a doctorate
Rosa Luxemburg Foundation (party-affiliated foundation "Die Linke")		https://www.rosalux.de/stiftung/studienwerk/promotionsstipendium	Doctoral students of all disciplines (exception: medical disciplines)	The doctoral scholarship is based on the requirements of the BMBF*. In addition to the basic funding, further grants are possible.	The prerequisite for a doctoral scholarship is an outstanding degree and proof of a strong social commitment in the spirit of the Rosa Luxemburg Foundation.	2024 and 2025: October 1	The standard funding period is two years; two extensions of six months each are possible in justified cases.
Konrad Adenauer Foundation (party-affiliated foundation "CDU")		https://www.kas.de/de/web/begabtenfoerderung-und-kultur/stipendien	Doctoral candidates whose degree qualifying them for a doctorate was obtained no more than 5 years ago (except in human medicine or dentistry)	The doctoral scholarship is based on the requirements of the BMBF*. In addition to the basic funding, further grants are possible.	Good to very good grades, social commitment or personality in the spirit of the foundation, participation in seminars	On 15.01. and 15.07. of each year	Funding initially for up to one year, funding usually ends after three years (standard funding period). In justified cases, the scholarship can be granted for up to six months beyond the standard funding period.

Hanns Seidel Foundation (party-affiliated foundation "CSU")	http://www.hss.de/stipendium.html	Doctoral candidates at a German university whose doctorate has not yet been supported by public funds	The doctoral scholarship is based on the requirements of the BMBF*. In addition to the basic funding, further grants are possible.	Good to very good grades, social commitment or personality in the spirit of the foundation, participation in seminars	On 15.01. and 15.07. of each year	The doctoral scholarship is initially granted for a period of three years. A six-month extension of the grant can be applied for by the doctoral candidate in justified cases. In exceptional cases, funding can be granted for a maximum of four years.
Hans Böckler Foundation (German Trade Union Confederation)	https://www.boeckler.de/de/stipendium-fur-promovierende-2670.htm	Doctoral students up to 40 years	The doctoral scholarship is based on the requirements of the BMBF*. In addition to the basic funding, further grants are possible.	Trade union or social commitment	May 31 and November 2, 2024	The duration of the doctoral funding is generally three years and can be extended if necessary.
Evangelisches Studienwerk Villigst	https://www.evstudienwerk.de/bewerbung/promotion/unser-stipendium.html	Doctoral students who belong to the Protestant Church (exceptions possible)	The doctoral scholarship is based on the requirements of the BMBF*. In addition to the basic funding, further grants are possible.	The overall grade must be at least 'good' and 'fully satisfactory' in law.	On 01.06. and 01.12. of each year	Scholarships are initially granted for three years; an extension to three and a half years is possible. If a doctoral scholarship holder has children under the age of 14 living in their own household for whom they have custody, a childcare allowance can be claimed and a parental year can be funded.
Cusanuswerk e.V.	https://www.cusanuswerk.de/ih-stipendium-vom-cusanuswerk	Catholic doctoral candidates	The doctoral scholarship is based on the requirements of the BMBF*. In addition to the basic funding, further grants are possible.	Committed membership in the Catholic Church, social commitment, very good performance	Procedure I (selection decision in March) Application deadline: November 1 Procedure II (selection decision in November) Application deadline: June 1	The maximum funding period is three years. From October 2023, this will be supplemented with the option of an additional six-month extension. Additional extension options are available in the event of illness, maternity leave and childcare. A doctoral scholarship from the Cusanuswerk offers the opportunity to combine academic work and family life. Young mothers and fathers in particular are therefore encouraged to apply.
Avicenna Study Center	http://www.avicenna-studienwerk.de/	Muslim doctoral candidates	The doctoral scholarship is based on the requirements of the BMBF*. In addition to the basic funding, further grants are possible.	Good to very good grades, language level C1, social commitment, a convincing reason for applying to the Avicenna-Studienwerk. Participation in seminars and commitment in the spirit of the foundation	On 01.04. or 01.10. of each year	Doctoral candidates must be in the early stages of their doctorate at the time of application. The standard funding period is two years, extension possible (maximum funding period: 4 years)
Ernst Ludwig Ehrlich Study Center	https://eles-studienwerk.de/foerderung/promovierendenfoerderung/	Jewish doctoral candidates (except doctoral candidates in medicine)	The doctoral scholarship is based on the requirements of the BMBF*. In addition to the basic funding, further grants are possible.	Good to very good grades, social commitment or personality in the spirit of the foundation, participation in seminars.	On March 31 or September 30 of each year.	Doctoral scholarships are awarded for a standard funding period of three years.
