

## **Guidelines for application for doctoral funding at Trier University of Applied Sciences**

Eligible to apply: Enregistered cooperative Doctoral Candidates at Trier University of Applied Sciences

Deadline: August 31, 2019 for financial support needed before the end of 2019

Eligible for funding: Conference attendance, participation in relevant doctoral workshops - usually up to half of the costs (higher subsidization possible in justifiable situations)

Maximum funding: €800 per application

Approval criteria: Funding availability, uses for the doctorate  
Timely submission of the application before the date in question  
Applicant contribution to costs is desirable.

Application procedure: Informal letter addressed to the Doctoral Advisory Service

Please get into contact with the Doctoral advisory service in case you are planning a Doctoral candidates' self-organized workshop, for which you need support.
